Solid Surface Solutions

VENDURA SOLID SURFACE 10-YEAR LIMITED WARRANTY

LIMITED WARRANTY

Vendura Solid Surface products are warranted for a period of ten (10) years from the date of purchase. This warranty covers defects in the workmanship and/or materials of the product. To obtain warranty replacement, simply contact Vendura. After Vendura verifies the defect, we will either repair or replace, at our option, the defective product. The customer must contact Vendura prior to taking any action to fix any problem(s) that exist. Failure to contact Vendura prior to making any alterations may result in voiding this warranty.

The full replacement cost of the defective product is covered during the first three (3) years of this warranty. For the remaining seven (7) years of the warranty we will repair or replace the defective product on a pro-rated basis. The charge will be pro-rated for only the number of years the product has been in use beyond the initial three years.

No further monetary consideration of any kind are covered under this limited warranty. Collateral damages resulting from a defect or flaw in the workmanship and/or the materials are not the responsibility of Vendura Industries, LLC.

Inspect your new product before any installation is started. Vendura is not responsible for any costs associated with installing damaged product.

Product must be installed per Vendura Installation Instructions P-00012, visit www.vendura.com. Failure to follow the installation instructions shall void the warranty.

This warranty does not cover damage resulting from customer storage of products, transportation, or installation. This warranty does not cover surface stress cracks caused by improper handling. This warranty does not cover damage caused by acidic cleaners/chemicals (PH<3), extreme heat (temperatures in excess of 275° Fahrenheit), extreme cold, or any other violations of the Maintenance and Care instructions. This warranty does not cover damage caused by exceeding the maximum allowable weight limit of the shower system, 450 pounds. If circumstances require higher weight capacities, please contact Vendura for specific bariatric shower systems.
